

## DRAMA COMMENTS, 2004

1. The purpose of the drama tonight is to provide an accurate and realistic picture of a First Century Passover as modified by Jesus.
  - the same motive as Mel Gibson's recent movie.
  - I would like to see this drama performed in other churches.
  - So, I want to make available a booklet and script that can be sent to another church.
  - Copies of the Passover booklet are available for \$3.
  - See me after the performance. I also have updated scripts.
2. Before the drama starts, look at your bulletin and note the names of the disciples (men and women) as they are seated from left to right.
3. After the service, you are invited to come up and examine the stage and taste the various dishes.
4. Now, let me offer an interesting detail about the drama tonight. I want to comment on one of the characters.
  - (Read biographical notes on John Mark.)
5. Now, let us go back in time to ancient Jerusalem, as we share with Jesus and His disciples the last Passover meal that they were to eat together on this earth.
